Autumn Equinox Celebration

"Though I do not believe a plant will spring up where no seed has been, I have great faith in a seed. Convince me that you have a seed there and I am prepared to expect wonders."

-Henry D. Thoreau

Dear Friends and Family,

It's that time of year again! Soil Born Farm Urban Agriculture Project is having its **3rd Annual Autumn Equinox Celebration** on Saturday September 24th 2005. This event serves as the year's main fundraiser for our urban farm and education center. The day's festivities give residents a chance to walk the gardens, enjoy live music, sample seasonal organic food prepared by prominent local chefs and taste organic wine and beer from local producers.

If you are coming to the farm for the first time, this event serves as a fun introduction to all that we do here in the city. For those of you coming back to the farm, you will see and hear about small and big changes to our project. This years event proceeds will help fund our three main programs for 2006 which include: (1) *Project F.E.E.D. (Food, Education, Equity and Diversity)*, (2) *Connecting Food, Health & the Environment*, and (3) *Soil Born Farm Site #2 Development*. All of these programs reflect our commitment to creating a healthier Sacramento through innovative food production, food education, and food access projects.

We hope you will choose to join us on September 24th! Each year this event has sold out, so we recommend buying your tickets well in advance. Tickets can be purchased at the farm or at the Sacramento Natural Food Coop's customer service desk in Downtown Sacramento or Elk Grove. For those who cannot attend this year's event, please continue to support our work by sending a **tax deductible donation** to the farm. We hope that this year has brought all of you health and happiness and look forward to seeing you. For questions or directions to the farm please call (916) 486-9686.

Sincerely,

Shawn Harrison
Executive Director

Marco Franciosa
